## Band & Chorus Open House

Dear Students, Parents, and Guardians,

On Thursday, April 2, 2020, at 6:30pm at the Tenney Grammar School, the Fine Arts Department will be hosting an Open House Night for grade four parents and students who are interested in learning more about the band and chorus fine arts options which are offered in grade 5. The evening will include an informational presentation, as well as *student demonstrations* and *performances*. We are looking for current students in band and chorus to participate in performing for our upcoming middle school students and parents to showcase our wonderful fine arts programs offered at Methuen Public School.
