INSTRUMENT RENTAL NIGHT

Thursday, September 10, 2015 @ 6:30 PM
Tenney Grammar School
Upper School Cafeteria

Dear Parents,

There will be an instrument rental night on **Thursday, September 10, 2015 @ 6:30 PM** in the Tenney Grammar School Upper School Cafeteria. This is a great time to discuss the program with the band director and get informed about obtaining an instrument for your child. [K & C Music Company](#), our instrument vendor, will be here to answer your questions as well as provide you with all the details necessary to rent an instrument that night. A down payment is required for rentals. If you have not registered your child for band, please do so by completing the attached form or online at www.tenneyband.org

This is a service for parents, but you are not obligated to use it. Should you wish to rent or purchase elsewhere, please contact your director with questions about instrument quality. A rent to own program takes a lot of the guess work out of getting an instrument. The instruments are a good quality and insurance and repairs are included.

Registration Deadline: Thursday, September 10, 2015

You may complete this process online (www.tenneyband.org) or through your band director.

Instrument Deadline: Monday, September 14, 2015

This is the deadline to obtain an instrument, book and music stand.

Other options:

Option 1:

The Music Workshop also offers instrument rentals through K&C Music Company. If you are unable to attend on Thursday and have already registered your child, they can assist in the rental process. They are conveniently located on Route 28 in Salem, NH (Nettles Plaza). This is the next easiest way to get your child started!
(603) 893-1544

Option 2:

If you wish to rent or purchase an instrument elsewhere, please be aware that not all instruments are equal quality. We strongly suggest purchasing or renting an instrument from a reputable music company that will continue to service the instrument when maintenance is required. If renting or purchasing is not possible, please contact the band director at your child's school so we can help get them involved.

I look forward to working with your child,

Brian Fulks
Director of Bands, Grades 5-8
